High Council Speaking Topics

High Council speaking topics are derived from what the Lord has chosen for us to hear from the most recent General Conference. The two High Councilors speaking in the Arbon Branch should coordinate with each other to ensure not duplicating their comments. The Bishops and Branch Presidents may request the High Councilor coming to their unit to speak on any of the listed topics for that month, or they may request the High Councilor to speak on an entirely different topic based on individual ward or branch needs.

Agent Bishops & Building Schedulers 2025

The bishop whose ward meets at 9:00am in each building is the agent bishop for that building for the year. That same ward is also responsible for providing someone to schedule that building for the year. If the two bishops (2022 and 2023 agent bishops) confer, they can decide together to leave the current building scheduler in the calling for 2023. When new calls are made to fill the Building Scheduler position please notify Brother Dave Jensen brotherDaveJensen@icloud.com

Building	Bishop	Building Scheduler
Stake Center	Bishop Haymore (JC)	Katie Powell 703-595-7786
Bannock Building	Bishop Weishaar (CH)	Michael Blair 208-241-9724
Portneuf Building	Bishop Brown (MC)	Diane Woods 208-431-2308
Arbon Building	President Ward	Sister Laurie Call 208-479-6219

Handbook 35.2.8 “Agent Bishop”

If more than one ward meets in a building, the stake presidency selects an agent bishop to coordinate assignments with the other bishops. These assignments include scheduling, cleaning, and securing the building. The stake presidency periodically rotates this responsibility among the bishops whose wards meet in the building.

Building Snow Removal

The Agent Bishop (9:00am ward in the building) is responsible to delegate snow removal through out the week. If it snows overnight Saturday night, then the 2nd ward to meet in a building is responsible to remove snow, prior to the start of the 9:00 block. That way those removing the snow can make it home and change clothes before their ward begins at 10:30 or noon.

Stake Baptisms

Stake baptism information:

- Baptisms will be coordinated from the Stake level through the assigned High Counselor (Jason Christensen).
- Music, Prayers, and a Talk will be assigned from wards participating in the Stake Baptism for the month.
- Ward Primary Presidencies will assign music, prayers, and a talk.
- If only one ward has participants in a Stake Baptism, that ward will be solely responsible for the Baptism that month.

If you have comments or concerns, please discuss them with your bishop or branch president. Brother Greg Finch of the High Council is also available for questions.

Temple Service Assignments

Temple Cleaning –

- Volunteers must be endowed members who hold an active recommend.
- Volunteers should arrive at 9:30 pm and plan on serving until 11:30 pm. Someone from our custodial staff will be at the recommend desk to greet them at 9:30 pm and give further instructions.
- There will be a prayer meeting in the chapel at 9:45 pm.
- Volunteers should arrive in Sunday dress and change into temple-provided white clothing. They may bring their own white clothing if desired.
- Volunteers should be physically capable of performing the required cleaning tasks.

Flower and Plant work –

- We have clippers, weeding tools, and buckets available for volunteer use. We have gloves volunteers can use but they can also bring their own glove. Also, it would be helpful for volunteers to bring knee pads or a kneeler pad if they would like something to kneel on.
- We will meet with the group for orientation and a spiritual thought at the Utility Building located in the Southwest of the temple parking lot at 9:00 am.
 - If it is a youth group, please ensure that there are enough leaders to manage the group.
- We recommend that volunteers bring a water bottle to stay hydrated. Come dressed to work outside.
- Temple recommends are not required for this service opportunity.

Seasonal Planting –

- We have trowels for volunteers to use, however if it is a group larger than 25 people it would be helpful to have them bring a few extra trowels for planting.
- We will meet with the group for orientation and a spiritual thought at the Utility Building located in the Southwest of the temple parking lot at the designated time.
 - If it is a youth group, please ensure that there are enough leaders to manage the group.
- We recommend that volunteers bring a water bottle to stay hydrated. Come dressed to work outside.
- Temple recommends are not required for this service opportunity.

Snow Removal –

- We have about a dozen snow shovels for volunteers to use. If more people sign up than 12 then we would need a couple people to bring a shovel. We ask that if individuals bring their own shovels that they don't have a metal edge.
- If it has snowed during the night, we ask stake volunteers assigned to the morning to arrive around 6 am so that we can get sidewalks cleared for patrons. Similarly, if it has been snowing during the morning and afternoon, those assigned to the PM shift will meet at 6 pm to start shoveling. The temple has machines which will clear parking lots but all sidewalks and approaches must be cleared by hand.
- If you are unsure if there has been new snow at the temple, you are welcome to call or text our Grounds Supervisor, Matthew Wright, at any time before the assignment. He can be reached at [208-360-2169](tel:208-360-2169).
- A recommend is not required for this service opportunity. All volunteers are welcome so long as they can perform the work safely. Volunteers should dress appropriately for the weather.
- When we do have snow, we will meet at the utility building at the southwest corner of the temple parking lot for orientation and a prayer.
